### JOKE OF THE DAY

A man walks into a bar with a roll of Tarmac under his arm and says 'pint, please and one for the road'.

**SPEEDING** – We will soon have a monitor fitted in the village to record vehicle speeds. The results of this, combined with previous data should be enough to ensure that action will be taken against offenders.

**PARISH COUNCIL**

Budock Parish Council meets on the last Monday of the month (excluding August & December) at Budock Village Hall or, in June and October in Treverva Village Hall.

Agendas are posted on the notice board on the village hall and public comments are allowed at the start of each meeting. Minutes of previous meetings can be found on the Parish Council website: [www.budockparish.net](http://www.budockparish.net). The website has a great deal of information about the local area and how to contact the Parish Council. If you have any local issues you wish to bring to the council's attention please contact:-
