How it used to be.... During the 80's when Treverva Chapel had a decent sized congregation and a committee to run the chapel, every year a Bazaar was organised and many villagers and the Women's Institute were called upon to run the various stalls.

My first memories of walking into the Chapel Schoolroom was like walking into an Aladdin's Cave, so much displayed on every stall and where it all came from I did not know.

It was such a great way of meeting everyone who lived in the village and surrounding farms and houses. Good conversations were had and you made many friends.

Lots of luxury soaps and hand creams were available along with knitted garments for all ages. Plants and vegetables, bric-a-brac, where interesting items could be found. I remember buying a beautiful musical box and wooden carvings. Cakes made by very good cooks, home-made sweets which the children loved. Stationery and cards of all kinds.

Then there were the refreshments – every cake being home made. Xmas was a very memorable occasion then and everyone made the effort to attend the Treverva Male Voice Choir and Mabe Ladies Choir Xmas Carolare where every pew was taken. People came from miles around to attend the evening.

Quiz evening

In October we held another of our popular quiz nights in the village hall, raising £77.50 on the night. Some of the questions may have been 'challenging', but it was agreed by everyone who came along that it was a very enjoyable evening

PARISH COUNCIL

Budock Parish Council meets on the last Monday of the month at Budock Village Hall or, in June and October in Treverva Village Hall. Meetings are not usually arranged in the months of August and December unless there is urgent business. There is always a period at the start of each meeting for comments from the public on items on the agenda, which are welcome. The agenda can be found on the Parish Council website www.budockparish.net. The council office is in the Budock Village Hall and open Tues 09.30-12.30 and Fri 2.00pm – 5.00pm. Tele:01326373727 during office times. If you have any local issues you wish to bring to the council's attention please contact clerk@budockparish.net.

NEIGHBOURHOOD PLAN

Subsequent to the flyer put out last month, a public meeting was held on November 14th where a Council Officer spoke at length about the requirements of a plan. The development of a plan will depend on members of the community stepping up to form a committee. If you did not attend the meeting but would like to be involved please contact the Parish Clerk.

SPEED WATCH

The Community Speed Watch has been running for three months and has shown that there is a speeding issue through Treverva. More volunteers from Treverva/Lamanva are needed. This is not an onerous task and should ensure the safety of all.

Paraprosdokians – are figures of speech in which the latter part of a sentence is unexpected. Winston Churchill loved them. Some examples:-

1. Where there's a will – I want to be in it
2. Since light travels faster than sound, some people appear bright until you hear them speak.
3. If I agreed with you, we'd both be wrong
4. War does not determine who is right – only who is left.
5. Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.
6. They begin the evening news with 'good evening', then proceed to tell you why it isn't.
