

TREVERVA VILLAGE HALL REPORT

2018

This year the hall has had more activity than for many years. Social events such as a pre-Christmas get-together have proved very successful in bringing the community together. The quiz evenings continue to be popular and regular coffee mornings take place. Sadly, the Friendship Club has had to close.

Finances - We are very lucky to have as our treasurer Mr Len Cheshire. Len works very hard to keep costs to a minimum but we are running a deficit of approximately £200 against income, the shortfall being made up from our savings account. On a positive note, bookings have increased.

We now have a Neighbourhood Watch Scheme in place and an active Speedwatch group. Our quarterly newsletter continues to be well received.

We are grateful to the Parish Council for their support in funding interior decoration of the hall and the replacement of the heaters and electricity meter. Volunteers have carried out various tasks, including decorating the outside of the hall.

Finally, I would like to emphasise the work of our small but dedicated committee, who care very much about our village hall and the important part it plays within our community.
